

Empty Or Filled?

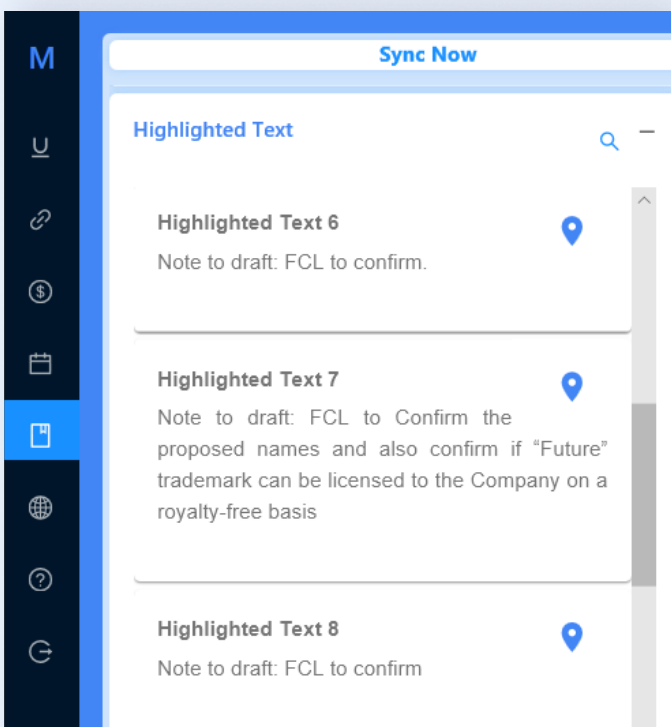

Be One Hundred Percent Sure If A Placeholder Is Empty Or Filled

Placeholders

- Ensure all placeholders in the agreement or contract are filled in prior to execution.
- Copy-paste the list of placeholders and share with all parties to the contract and ensure all placeholders are satisfied
- Docusievs analyses placeholders in the form of : **[•], [square brackets], _____, <angular brackets> , {curly brackets}**

Now along with Placeholders, identify any other highlighted text in your agreement or contract

- Now review all highlighted text in the agreement under the Placeholder Tab
- Identify and organize key areas of discussed changes by highlighting them and reviewing
- Now find a detailed list of all highlighted text in your agreement or contract under the Placeholder Tab

Ready to Never Proofread Again?

With docusieve you never have to worry again about proofreading your document! Everything is automated, just like the future demands it.
